

100mm M10 Bolt Hole Braked Castors Black Plastic Wheel

100-310-P/SWB

This 100mm light duty pressed steel swivel braked castor with 10mm bolt hole fitting and a black plastic wheel is suitable for a wide variety of light duty applications. The useful foot operated brake simultaneously brakes both the swivel head and the wheel. These bolt hole castors can be teamed up with tubular expanders for easy attachment into hollow tubular legs.
